INES STEALS THE SHOW

Dear *SCORE*,

The March issue was great. It had been far too long since we'd seen Barbara, and Katt Messina is gorgeous. Xtra was fantastic, with the exception of neither Julia Miles nor Lovette getting dicked in the ass. But the expression on Brittany Love's face on page 28 more than made up for it. That's the look every guy wants to see when he's balls deep in a woman.

The star of the show was Ines Cudna. How can anyone be so beautiful? I'm really into assfucking, and although she wouldn't show pussy, let alone her asshole, she is phenomenal. The fact that she's still a virgin makes her all the more appealing. Normally I'd pass right by your sister magazine, *Voluptuous*, as the girls are normally wider than I'd prefer, but when I saw her on the cover of the March issue, I had to pick it up. Those pics with her all oiled up were even better.–S.B., Mount Pocono, Pennsylvania

DOES INES BELONG IN *SCORE?*

Dear *SCORE*,

"Polish Princess" Ines Cudna (March '03) is, indeed, strikingly beautiful with an amazing body. I certainly wonder where girls like this were when I was in high school.

Still, while I agree she is quite well-endowed for a girl her age, especially one so pretty, I debate whether she would have been considered *SCORE* material if she were five or 10 years older. Is the new trend for *SCORE* to just find as young a girl as possible with big breasts, or are you looking for an attractive women with *SCORE* breasts? Sharday is young and gorgeous and has the full, round, firm, natural, and big breasts of a *SCORE* Girl.

While I do see your comparison of Ines with Autumn, Ines's breasts just don't give quite the same sense of magnitude. I do believe there is room in *SCORE* for Ines and women like her, but I don't believe she deserves the red carpet treatment just because she's a teen. There are plenty of teen mags out there for those with that interest.–M.G., Philadelphia, Pennsylvania

Teen dream Ines Cudna (above right) generally received rave reviews for her debut in the March issue, but reader M.G. questions whether she's *SCORE* material on a par with Sharday (top left) and Autumn-Jade (bottom left). What's your opinion?

MARY, BRITTANY & LOVETTE

Dear *SCORE*,

Once again, *SCORE* has gone the extra mile in the March issue with the debut of Mary Carey. I would really be surprised if she is not nominated for 2003 Newcomer of the Year. Her tits, tan and slick pussy make this old guy jack over and over again.

But as soon as I got all worked up over Mary Carey, along came the XXX pictorial of Lovette in "A Girl & Her Power Tools." You have featured Lovette several times, but this is one of her best. She can use my "power tools" any time she wants. The closeup of her ass and pussy getting plugged was all it took to empty my nutsacks.

"Brittany & The Fucking Machine" was one of the best features you've run. How in the hell are you going to top that? The closeup of her clit ring, pussy and ass getting pumped had me working on my cock some more.–M.V., San Diego, California

CAN'T GET ENOUGH LOVETTE

Dear *SCORE*,

Lovette. Much, much, more Lovette (March '03). Everything she's ever done, let's see it again. And then let's bring her back for more! My God, am I the only one who's noticed? Why isn't there lots more Lovette? And, obviously, the harder the better. Is it just me? There's only one. Nobody else comes close.–S.R., email address withheld

Flexible Mary Carey (above) starred in the March issue, but Lovette (top right) and Brittany Love (bottom right) were Xtra special.

Friday gave us an education in anal sex in the March issue. We happen to know that she likes double-penetration, too.

FRIDAY'S ANAL LESSON

Dear *SCORE*,

Holy shit! Friday must be the hottest piece of ass you've ever had in *SCORE*, and I'm not talking about her pictures, which are pretty damn hot, too. I'm talking about her article in the March issue ("How To Have Sex With A *SCORE* Girl").

The way she described how to fuck a girl in the ass had me shooting my load all over the pages of the magazine. On top of that, she sounded like she's really into anal sex. I usually don't read the articles, but I'm glad I read that one. And I'm going to read it over and over again.–G.S., San Antonio, Texas

GET 'EM WHILE THEY'RE HOT

Dear *SCORE*,

Excellent work on the playing cards promotion. Enjoyed seeing some of the "old" stars of nude modeling, including Roberta Pedon. Brings back fond memories.–R.G., Toronto, Ontario

Dear R.G.: Thanks for the good word. All four issues (December '02, Holiday '02, January '03 and February '03) containing the Big-Bust Playing Cards are still available on page 10 of this issue.

ON DECK: There's a very unusual video coming out, and you won't be able to buy it. It's called *Boob Talk,* and it features highlights from interviews with 12 big-boobed models. The girls talk about sex. They try on bras. They show their tits and pussies. Look for the details soon.

In the minds of some readers, we oughta get arrested if we don't release a video of Katt Messina.

KATT BROUGHT TO LIFE

Dear *SCORE*,

Katt Messina (March '03) is mesmerizing with her sultry red hair. I also received, after purchasing some DVDs, *SCORE's Brabusters,* [a premium video offer in the eBoobStore] which had a scene of Katt Messina on it. This is one of the most charming, vivacious women I've ever seen in your videos. Will she ever have her own video, DVD or website? Katt is too charismatic to just be a model. She needs to have her own video in which she can talk and converse with the camera.–F.B., email address withheld

Dear F.B.: Sorry. No videos of Katt so far, but you can see video clips of the lovely EE-cup midwesterner taking a sexy shower at Scoreland.com.

DEFENDING MODELS RIGHTS

Dear *SCORE*,

I read the comments from "G" in the March SCORECard. He said you should tell all the models to either do XXX or get the fuck out.

This statement offends me and should offend all half-decent men who read SCORECard. The models have the right to choose to do XXX or not. After all, it's their bodies. They only allow us to lust after them. We didn't buy them for the price of a magazine. I have respect for them all, whether they do XXX or not. How would "G" like to go to work and have his boss tell him he had to suck and fuck all the guys on the job or he could go get a job as a supermarket cashier?–F.B., Hurley, Virginia

JACKING TO THE LINEUP

Dear *SCORE*,

I absolutely go nuts when I see beautiful, busty babes. I masturbate a lot, maybe four-to-six times a day, seven days a week, to big-boob mags and videos. But when I saw Maxi Mounds, Minka, Kayla Kleevage, SaRenna, Casey James and Plenty UpTopp in the March issue's Bikini Lineup, I began to really go crazy! My dick was instantly standing tall and dancing wildly. I was also hyperventilating, and my heart was beating very fast.

If I could be lucky enough, I would love to be in a tit-fuck scene plowing both Minka's and Maxi's enormous jugs.–D., Industry, California

The bikini lineup *sans* bikinis: Maxi, Kayla, Minka, SaRenna, Casey and Plenty.

Where does a *SCORE* Xtra cum shot belong? On the model's tits, as Christine Allure (April) demonstrates.

CUM BELONGS ON THEIR TITS

Dear *SCORE*,

I disagree with the reader who asked for more facial cum shots ("A Reader's Laundry List," SCORECard March). This is a big-tit magazine, not a "let's see how big a load I can shoot onto the model's face" magazine. Hardcore is one thing, but if you're going to show it, the cum shot should always land on the model's tits. After all, what *SCORE* Man hasn't fantasized about shooting his load all over a big-titted model's breasts? But shooting all over the model's face seems insulting and possibly desecrating to the model.–J.G., Liverpool, England

IT'S THE TITS, NOT THE FEET!

Dear *SCORE*,

I feel I must reply to the letter in the April SCORECard from your unknown reader who sent the letter, "It's Linsey Dawn By A Foot." Has this guy got his head stuck up his own ass? He seems to be obsessed by some minor detail of whether Sharday's feet are perfectly pedicured instead of the main issue of what a superb body and pair of tits she has. If he is so concerned about feet, then perhaps he had better go purchase a foot-fetish mag instead of *SCORE*.

To go further with his obsession, in casting his vote for Linsey Dawn as Model of the Year because she is pristine, perfectly groomed, manicured and pedicured, he must still have his head

BIG BOOBS IN THE NEWS

BY ELLIOT JAMES

LINSEY BUSTS HOWARD STERN

LDM GUESTS ON AMERICA'S #1 RADIO SHOW

There was nipple-numbing, sub-freezing cold in New York City when Linsey Dawn McKenzie and *SCORE* staffer T.P. flew into Kennedy Airport. The kind of cold that makes bra hooks malfunction. What possible reason could LDM have for leaving the warm, sun-kissed climate of Miami, Florida, where she was posing for her website LinseysWorld.com for this frozen hell?

Well, for starters, she had the opportunity to be interviewed by the Rajah of the radiowaves in America, Howard Stern, the #1 mike-jock in the United States. LDM was scheduled to talk about the launch of *Looker*, a brand-new magazine devoted to beer, babes and stuff, all the things that make life worthwhile. And Linsey, herself, was the subject of a five-page photo story in the premiere issue of *Looker*.

Were Howard and his team impressed by Linsey's mindblowing supernaturals? At first, Howard thought she had implants. A thousand hot babes with all kinds of boob jobs have visited Stern's studios over the years, so that part's easy to understand.

It probably didn't help that the guest right before Linsey was a transsexual with a not-so-great boob job. "Are you saying those are 100% real?" Howard asked Linsey. "Wow, that's insane. God,

The staff of *The Howard Stern Show* didn't have the chance to see Linsey up-skirt like you can in your favorite magazine.

Our bustiest ever!

Five brown bombers, just for you! Amanda White invites you to feast on her huge flesh pillows. Chaka T. uses more dildos than you'll find at a fire sale at Dildos R Us. Super-stacked Anja strips and probes for your pleasure. Cassitty jams her hot holes. And Coco begs you to fill her to the brim!

BOOB BEAT JOKES

It was the mailman's last day on the job after 35 years of carrying the mail in the same neighborhood. When he arrived at the first house on his route, he was greeted by the whole family, who congratulated him and sent him on his way with a big gift.

At the second house, the owners presented him with a box of fine cigars. The folks at the third house gave him a selection of fishing lures.

At the fourth house, he was met at the door by a strikingly beautiful, big-busted blonde in a see-through negligee. She took him up the stairs to the bedroom, where she fucked him in every position. It was the most incredible sex he had ever had. Then they went downstairs, where she fixed him a huge breakfast.

When he was done, she poured him a cup of coffee. As she was pouring it, he noticed a dollar bill sticking out from under the cup.

"All this was too wonderful," he said, "but what's the dollar for?"

"Well," said the blonde, "last night, I told my husband that today would be your last day and that we should do something special for you. I asked him what to give you. He said, 'Screw him. Give him a dollar.' The breakfast was my idea."

A young boy was taken by his parents to a nudist camp. He was surprised at the different sizes of the male organs and mentioned it to his father. The father, being well endowed, explained that penis size was a measure of intelligence: the big ones belonged to smart men; the small ones belonged to dumb men.

That afternoon, the father was looking for his wife and asked his son if he had seen her.

"I saw her about 10 minutes ago," he said. "She was with a real dumb man, but he seemed to be getting smarter every minute."

LINSEY ON STERN

they're huge. Do you have sensation in those things?" Then switching gears, he asked, "Ever had anal? Do you like it?" Then back to boobs. "Lemme see 'em. Lemme see. Please. For clinical reasons. If you don't mind."

And when LDM began to disrobe: "Look at that bra! Is that a triple-H?" (Close. Linsey's a 36HH. So, the man knows his stuff.)

When the bra came off, true disbelief erupted. "Oh my God, look at the size…those gotta be implants," Howard said. "Those are implants!"

"No, they're not," Linsey countered. "Come and have a feel!"

"Say I swear to God those are real," Howard ordered Linsey.

"I swear to God they are 100% real," Linsey replied.

The Stern crew kept saying they were fake. LDM let Howard and Gary, Stern's producer, inspect her.

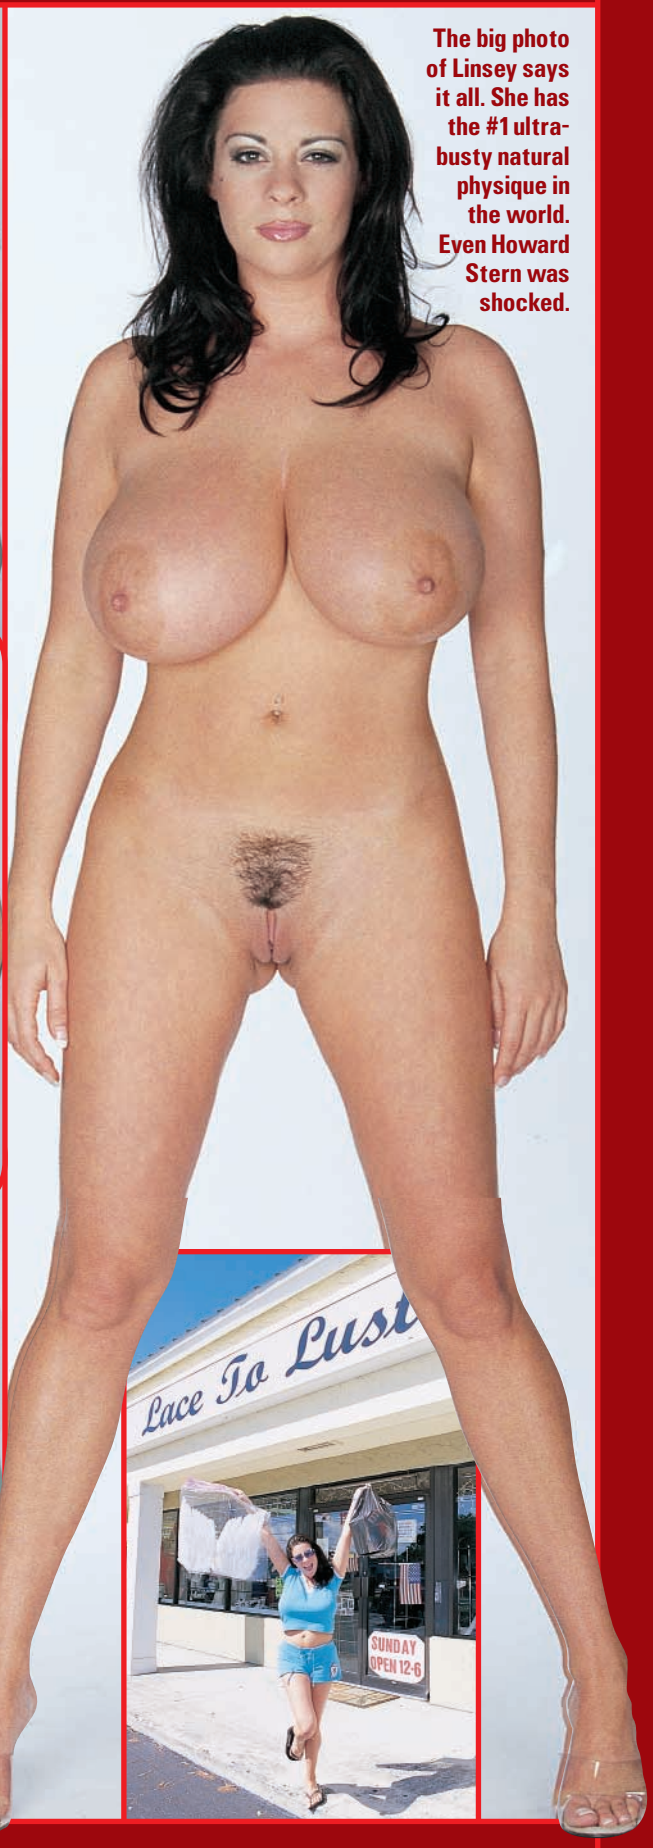
"I'm not a big-breast guy, but I'm freakishly into this," Howard said, converted by Linsey into a boob believer.

Howard had never heard of Linsey until the show and told her she could have a great future in the States. He didn't know she is, in fact, a media figure back in Blighty with many television appearances. As for us, sometimes we forget that our big-tit community is, in reality, very small, and busty stars like Linsey are not well-known to the mainstream public.

When everyone wasn't jawin' about tits, Linsey managed to get Howard to talk about *Looker*. The E! television version of the radio show was telecast on February 14th (Valentine's Day), but keep looking for reruns. It's sure to be a favorite episode for years to come on E! Linsey's bare boobs were pixellated lest the folks at home be offended by a woman's bare chest.

Back in Florida, Linsey visited Lace To Lust in Fort Lauderdale and modeled some outfits that she bought and brought home to England. Nice, eh?

Lace is located at 139 East Oakland Park Blvd., Fort Lauderdale, Florida. Telephone: 954-566-1880. Tell 'em Linsey and *SCORE* sent ya.



The big photo of Linsey says it all. She has the #1 ultra-busty natural physique in the world. Even Howard Stern was shocked.

MARY HAD A LITTLE

Mary Carey demonstrates her Gumby-like flexibility and extreme suppleness in the *SCORE* Studio prior to a video interview she did, kinda dressed just like you see her. Yeah, the editors at *SCORE* have finally wised up and started doing interviews with socially redeeming nudity and pussy spreading, a great way to truly understand the cognitive and emotional processes of today's modern busty model. Before Mary's interview was wrapped, Brittany Love joined the discussion to lick Mary's poon. See it at Scoreland.com, #1 in limber limbs.

Mary Carey reaches for the sky and spreads her poonani at the same time. This chick has talent.

WHO'S SCORING ON SCORELAND.COM?

Who's scoring on Scoreland.com? Why, she's the thoroughly adorable and cuddleable Brandy, with two still pictorials, a terrific video interview and a sexy breasturbation video uploaded on the world's best big-tit website. It's a Brandy whack-fest on Scoreland! Trust us, we know.

The video interview is not your standard *60 Minutes* load of boring conversation. While she's telling us about herself, giggly and sweet Brandy tries on various bras when she's not topless. You'll feel like hugging Brandy when you're not pulling on your knob. Just like your drooling editors Dave and Elliot, who are singlehandedly (pardon the expression) revolutionizing the art of the busty video interview. They could barely control themselves, and you'll feel the same way.

The sailors say, Brandy, she's a fine girl. What a good wife she would be. Truer words were never spoken.

Brandy shows how she'll make some guy very happy one day. You can clearly see she'll make a fine wife, heaven forbid.

BOOB BLISS

We asked Harmony Bliss why some guys don't like to see women masturbating, with toys or without.
Harmony: "All the men I've been with have never had a problem with it. They even get more turned on and excited to watch me, and I like to watch a guy masturbate, too. The men that don't like it probably feel insecure that a woman can make herself cum without needing him to have his hand in it."

Has she ever masturbated for a boyfriend?
Harmony: "Yes. One of my past lovers had some problems in the bedroom, and once he saw me masturbate, he was all back in working order."

Harmony Bliss models the latest *SCORE* modelwear and then demos her oral talents in the *SCORE* Studio.

OIL'S WELL

Why shouldn't Julia Miles, one of Deutschland's sexiest frauleins, be smiling? Her loving pals at *SCORE* got her the best hump of her young life in *Ultimate Julia Miles*, our best-selling video and DVD. The above photos are from one of the DVD extras, a series of mini-videos. Julia hangs poolside and oils up her hot tits and statuesque body. After sticking a finger in her pussy and massaging her pinkness, Julia cools off. The other three mini-videos are of Julia playing tennis, masturbating indoors and getting naked in the garden. Get it on page 98.

AUTUMN: COP BY DAY, HOOKER BY NIGHT

Busted! Why Autumn doesn't have her own TV show is beyond us.

By day, officer Autumn-Jade of the Boob Detail beats the guilty. At night, she beats off the innocent.

But Autumn is much more than a cop and a call girl. She's also a sailor, a baseball player, a waitress, a French maid, a soldier, a motorcycle mama, a jungle girl, a secretary, an angel, a construction worker, a fisherwoman, a schoolgirl, a hippie, a tennis player, a circus clown, a chef, a nurse, a dominatrix, a car washer, a hula girl, a fitness instructor and a yoga teacher.

Yes, Autumn is a woman of many diverse talents and skills. You can see her in all of her many faces at her Net headquarters, Autumn-Jade.com.

A-J regularly gets her hot little ass down to Miami for photo shoots and videos. Each time, she sends a thrill through the old trousersnake to see what she's got up her sleeve and down her bra-cups. Her recent video postings included an interview in which she talks about her early shoots with Linsey, Chloe and Kathy.

STACKED DECK

Liquor in the front. Poker in the rear. Vixen LaMoore is holding a pair of ladies.

T.G., Elliot and Dave (above) were born at night, but not last night. If Vixen thinks she can call their bluff with her super-cleavage…she's right. Vixen's a smart cookie, and when this game was over, the dudes wore barrels and she wore the wind.

Last month, Boob Beat did its annual photo-report about the Adult Video News Expo in Lost Wages, Nevada, so Vixen's antics in the *SCORE* poker room have timely and socially redeeming value. You've got to know when to hold 'em. Vixen does. And that trick with the beer bottle is just plain wrong. She's trying to distract us and make us fold. There's nothing written that says she can't do this, but it ain't fair.

SCORE was at the show to promote the *Mega-Boob Olympics* and *Boobs Ahoy*! DVDs, so we brought in Minka, Kayla Kleevage and Maxi Mounds to meet and greet the big-tit hounds. Vixen came to the show, too, so we invited her to pitch her tents at our booth for as long as she wanted, joining Kandi Cox, Ashley Evans and Jade Feng. How many extra-busty women can we stuff into a booth? As many as we want.

FOCAL POINTS

Joanna wanted international sexposure.

And she's going to get it 'cause she picked the right mag to pose for. Welcome our first newcomer of the month: Joanna, a Brit model looking to be the object of our male-missile tra-jack-tory. She's on target.

Joanna says she's been the focal point of appreciative male attention for as long as she can remember. She doesn't sound conceited when she says this. "I'm used to having men stare at me all the time," she said, "so the idea of having them look at me in a magazine is rather a kicky thing to me. I'm new to all this. I'm not sure how far I want to take it. I do have an exhibitionistic streak that I need to satisfy at times." We don't know about Joanna's needs, but her getting naked and spreading wide for thousands of horny tit-hounds satisfies ours.

THE *SCORE* INTERVIEW

Seven *SCORE* Girls talk about those amazing contraptions they hold so close to their chests... and that we hold so close to our hearts.

BRAS!

By DAVE ROSEN

They are the objects of our affection that support the objects of our affection. They are engineering marvels, capable of standing the test of time and withstanding the weight of the largest breasts in the world. We're talking about bras, of course, and lovers of big tits have always been fascinated by them.

Face it, *SCORE* Men: Isn't the mere sight of a bra hanging from your neighbor's clothesline enough to make your dick hard? Doesn't your heart beat a little faster when you pass the bra section at your department store?

But if you're a *SCORE* Girl, bras aren't always so wonderful. Finding a pretty H-cup bra that fits can be nearly impossible. Going braless is risky. Good bras for big-breasted women are more expensive than good bras for average-breasted women.

We invited seven *SCORE* Girls to join us in a discussion about bras. The girls welcomed the opportunity to participate in this town meeting bra destroyers. Our panel includes megabusters Vixen LaMoore, Lisa Lipps, Kandi Cox, Harmony Bliss, Cindy Cupps, Audra Mitchell and Kayla Kleevage. You'll be fascinated–and turned on–by what they had to say.

SCORE: Welcome, girls. First question: Where do you buy your bras?

VIXEN LAMOORE: I have the best luck at two places. First, Frederick's of Hollywood. They carry F, double-F and triple-F cups, even in my ribcage size, which is 32 to 34 inches. Mr. Frederick really understood big tits. That man is my hero. Second, here on the west coast, we have a store called Ross. They carry all the bras left over from other stores. I find a lot of giant-cupped bras there that no one else could fill.

LISA LIPPS: For the most part, I buy my

On the facing page, that's Kandi Cox proudly showing how her red bra holds up her heavy FFF-cups and Audra Mitchell popping out of a pretty sky-blue number. Audra looks as good in a bra as any natural we've ever seen. And take a look at how super-slung Lisa Lipps fills this page and overflows that animal-print bra. Notice the strain the weight of her boobs is putting on her bra straps. But Lisa says the underwire is usually the part of her bras that wears out first.

For 2003 newcomer Vixen LaMoore, shopping for bras is both a challenge and a joy. "I love everything that has to do with big boobs," she said.

bras at Lane Bryant, which is in just about any mall. They carry clothes for large-sized women, which I'm not, other than around my chest. They're the only regular store I can find that sells bras in my cup size.

KANDI COX: I get most of my bras from Victoria's Secret, but I never find ones that fit properly. I have to cut out all the padding in the cups and get a size that is too big round my ribs.

HARMONY BLISS: I shop at Frederick's of Hollywood a lot. I also buy my bras from catalogs or online from companies that specialize in bras for the well-endowed woman.

CINDY CUPPS: I buy my bras wherever I can find my size, sometimes at Victoria's Secret, but most of the time at Macy's or a department store like that.

AUDRA MITCHELL: I buy almost all of my bras at Victoria's Secret. I can usually squeeze into a DD-cup bra, which is the largest they sell, and I don't mind if I'm bulging out just a little. I think it's kind of sexy.

KAYLA KLEEVAGE: I buy all of my bras at a store called Sheer Fantasy in Houston, Texas. I don't even have to go down there to get them. They have my size on file, and I just give them a call and order a whole slew of new bras.

SCORE: How difficult is it for you to find bras that fit?

VIXEN LAMOORE: I'm a very lucky girl because I love everything that has to do with big boobs. Bra shopping and modeling is fun for me, so I don't mind it, and I don't find it difficult. Actually, I consider it a challenge. I bra shop a lot, and I'm always proud when I fill out a new, huge bra.

LISA LIPPS: I usually don't have a hard time, at least with everyday bras. Special-fit bras or stage-show bras are harder to come by.

KANDI COX: That's a laugh! For me, finding a bra that fits is very aggravating, very time consuming and nearly impossible most of the time. Believe me, when I find a bra that fits, I buy it.

HARMONY BLISS: Most bras for a large bust size also have a very wide band size for the all-over big woman. There aren't many places where you can find bras for a large bust size and a small ribcage. It's very hard to find the exact fit because one style might fit very differently from another style bra of the same size. Even when a bra fits and I wear it a little while, a bra may not be

HOW OFTEN DO YOU HAVE SEX?: “At least once a day. Cock size is not that important. I like width rather than length. If I can’t have sex with a guy, I’ll still get myself off with my vibrator.”

The last time you saw Lizzie, she was a collegian's wet dream in her school-girl clothes. She looked like she came straight out of *Buffy The Vampire Slayer,* especially since she was in an old Gothic manor. This time around, a more grown-up Lizzie is wearing adult hose and garters. "I like to dress in jeans and tank tops," she said. "I really don't need to emphasize my chest. It's big enough, but still I like to wear little tops. Wearing stockings and garters is way different for me. And I think my boobs look great in this bra." Yes, Lizzie, yes!

Lizzie unexpectedly dropped by the *SCORE* booth during the AVN Expo in Las Vegas. (You saw a photo of her in last month's Boob Beat.) In real life, Lizzie is a surprise. This tiny girl has huge tits that look even bigger because she's so short. Photographic angles and lenses (and high heels) make *SCORE* models look taller than they really are, so Lizzie in real life was a reality check. A good one, too. Last we checked, Lizzie was dancing at Pure Platinum in Columbus, Ohio. Scope her out if you have the chance.

Cindy Cupps looks great in and out of a bra, but she wears one almost all the time because she wants to keep her puppies nice and firm. "It's very difficult to find a bra that fits," Cindy said. "Most bras for big-busted women are very unattractive, and I wouldn't wear them on my worst day." Of course, Cindy's worst day is a good day for most women.

BRAS!

Continued from page 42

very comfortable. If the straps are too thin, the weight of my breasts pulls on the straps and pulls down on my shoulders. It helps if the straps are cushioned a little. It's also hard to find bras without an underwire, which provides more lift and cleavage to my breasts but after a few hours can become very uncomfortable.

CINDY CUPPS: It's very difficult to find a bra that fits. Most bras for big-busted women are very unattractive, and I wouldn't wear them on my worst day.

AUDRA MITCHELL: I usually end up just looking for ones that are pretty and have less than three clasps, which isn't easy in my size. Sometimes it gets so frustrating. I see these women in Victoria's Secret, and they can choose from all the B-cup and C-cup bras they want, and I'm left rummaging around for a DD-cup. It's not fair!

KAYLA KLEEVAGE: Well, like I said, I buy all of my bras from Sheer Fantasy, so I know exactly where to go. That works fine for me!

SCORE: Well, considering that it's so difficult to find bras, do you girls ever have your bras custom-made?

VIXEN LAMOORE: Not exactly custom-made, but definitely customized. I find many bras that were made for big women have a big ribcage measurement, like 40 or 42 inches, and that's too big for me. A friend of mine, Tiffany, who's a whiz with a needle and thread, will cut those bras down to my 32-inch, 34-inch band size. Sometimes she'll also move the strap positions to give me more projection.

LISA LIPPS: Only the bras for my stage shows are custom-made. I have pretty good luck finding regular bras for everyday use.

KANDI COX: I have had bras custom-made in the past, but my bra maker is not as reliable as I would like. I'd love to find a reliable bra maker who could make the kind of stuff I want to wear.

HARMONY BLISS: I'm like Lisa on this one. Only the bras for my stage show are custom-made.

CINDY CUPPS: Sometimes I have a bra made, but that gets to be very expensive. I go through bras very quickly.

AUDRA MITCHELL: I've never had a bra custom-made in my life. That would be a real treat, though.

Kayla Kleevage has her bras custom-made, and it's no surprise why. Her II-cup breasts would destroy most general-issue models.

"My bras wear out in the back where the hooks connect," bra-buster Harmony Bliss said.

KAYLA KLEEVAGE: I guess you could call my bras custom-made. They alter them for me down at Sheer Fantasy. What they do is, they take them apart, do what they have to do and piece them back together to fit me just right and give me good support, which is very important. They have to take a bra which is made for a woman who's very large around the ribcage and make it smaller. Then they alter the cups and do some minor adjustment. They end up fitting perfect.

SCORE: Now, obviously, you girls put a lot of stress on your bras. Where do your bras wear out the most?

VIXEN LAMOORE: That's the sad side of the story. My two plump puppies are wild, and they tear a new bra apart in a couple of months. I must admit, a lot of the fault lies with me. I love to make my boobs bounce up and down when I walk. There's just something so sexy about feeling my big, heavy tits jiggle. Under the force of that tit weight, they just wear out everywhere. Hooks pop, elastic snaps and seams burst. I try to sell these abused bras to my fans.

LISA LIPPS: The underwires always come out or start poking me over time. It can get a little annoying and sometimes kind of painful. I'd say, I can get a bra to last about six months, max, if I wear it all the time.

KANDI COX: My bras wear really bad in the straps over my shoulders. The weight of the boobs just pulls them apart. I've heard some girls say that the weight shouldn't be on my shoulders, but that's where it seems to be with me.

HARMONY BLISS: My bras usually wear out in the back where the hooks connect. They sometimes come loose and have to be sewn back on. I guess the heaviness of my breasts puts a lot of tension on the fasteners so they eventually come apart.

CINDY CUPPS: They wear out the most on the straps. That's a lot of weight they have to support, and when the straps start to wear, I lose all support and I can't wear the bra anymore.

AUDRA MITCHELL: That's funny. My bras usually wear out in the front. The underwire starts coming through. I guess different bras wear in different ways and different breasts wear them out in different ways.

KAYLA KLEEVAGE: Well, I feel the weight of my breasts in the shoulder straps, so I guess that's where they wear the

BIG BOOB HALL OF FAME

DEVON DANIELS

She pre-dated *SCORE* by three years and posed for only six months in 1988, yet she is the model we receive more mail about than any other. Devon Daniels, who was named on 32% of your ballots, is our final Hall of Fame inductee of 2003.

2003 INDUCTEE

Devon Daniels. The mega-legend. Time has only increased her popularity among breast aficionados. She had been retired from modeling for years, but that didn't stop *Voluptuous* readers from voting her Model of the Year in 1999. Her winsome, wide-eyed look, lovely face and unbelievable body only make us wish she had continued to model for a few more years. John Fox and John Graham had a good summer in 1988. That was when they photographed both Devon and 18-year-old Belfast beauty Lisa Phillips for the first time in the Bahamas, and both men realized they had two extraordinary models in front of the camera. In the September edition of *SCORE*, Devon was included as one of the 20 greatest all-natural models, alongside such busty goddesses such as Chloe, Diane Poppos, Autumn and Linsey. Indeed, her legend grows with time.

At left: Devon, a convertible and a garden hose. The time: Winter 1988. The place: a bungalow in Jupiter, Florida. The entire set—59 images—of Devon's car wash has been painstakingly re-scanned, color-corrected and uploaded on Scoreland.com in two sizes. At right, photos from Devon's July '88 trip to Great Exuma Cay in the Bahamas with editor John Fox, photographer John Graham and Irish busty Lisa Phillips. The Great Exuma Cay photos were published in the May '93 *SCORE*. On the cover, another Hall of Famer: Busty Dusty! So, we now have our first three members of the Big-Boob Hall of Fame: Devon, Busty and Traci Topps. They have set the bar high for future inductees.

Return of the Tit-ans!

Mega-Boobing around with Maxi and SaRenna.

Once again, you are witness to boobological history in the pages of your favorite big-bust magazine. While others give you page after page of barely D-cup models and porn actresses, *SCORE* is driven to photograph the true top-shelf babes. Because in the world of huge tits, the champions are right in front of you: SaRenna Lee and Maxi Mounds. Direct from the Mega-Boob Olympics.

"There are no rules for this, but most women like to be licked and touched all over."

That's what Dr. Maxi Mounds, alias Oralsexus Maximus, told every *SCORE* guy in the August '02 article, "Sex With A *SCORE* Girl." And that's what we're seeing in this once-in-a-lifetime pairing of Maxi and SaRenna. "Tease us a little, just like you like to be teased," Maxi instructed. "Work your tongue up and down our inner thighs, trace your tongue around the edge of our pussy lips. Be all over the place! Don't concentrate on any one area for too long." SaRenna knows all this, as you can see. In the April '02 issue, the one with all six Tit-ans on the cover, she also lovingly licked Minka's boobs.

Although she was partnered with Mini Mounds for years, Maxi is new to the fondling of female flesh. SaRenna, on the other hand, has had some real hormone ragers with such beauties as Rocki Roads, Coree Monroe, Traci Topps, Chloe, Danni Ashe, Lisa Lipps and Erica Everest. Those layouts are all in rotation at her website, SaRennasWorld, which contains nearly 100 pictorials of one of the true big-boobed supermodels of the past 10 years. And be sure to check her out in the new DVD & video *Busty Dildo Lovers #3.* It's a solo scorcher!

stuck up his ass or have tunnel vision. Sorry, my friend, but, as much as LDM may have a superb body and pair of tits, she has a long, long, long way to go before she will reach the classic status achieved by other models. Just to name a few examples: Diane Poppos, Ashley Evans, Pandora Peaks, Alyssa Alps and, of course, the most classic of all, Alexis Love.

Lighten up, pal! There are far better models in these pages than LDM. Forget about the feet. This is a tit mag.–D.W., Birmingham, England

BETTER LATE THAN NEVER

Dear *SCORE*,

I finally finished the September '02 issue and am compelled to write. Such a great issue. On page seven, there's the luscious Casey James, the only *SCORE* girl I have seen in person. Then page nine show a favorite of mine, Alyssa Alps. Next is angular C.J., who needs a bit of hair down below, to be complete. In Dream*SCORE*, I wish Otis Sweat would say who the model is because I don't recognize most of them.

The feature "10 Things Naturals Can Do" showed some great pics. Linsey Dawn McKenzie was great on her elbow with her huge breasts sliding to the side. Others were Chaz with one breast over the other, Chloe with her breasts hoisted by Danni and Desirae grabbing her nipples and lifting those beauties to each side. Turn the page and gasp at the awesome full page of Autumn-Jade. Sammie is okay, but she'd be a lot better if she had pushed her breasts to each side with her hands not covering so much. And the favorite picture of all I have ever seen: that picture of Sharday on her back with those super, super breasts splayed to each side. That is one great expanse!

Diane Poppos is a 10 in my book with great legs, breasts, looks and an overall great body. Cassandra has it all and does it all. Lorna Morgan is a sweet one, and that aereolae and nipple combination takes hours to absorb. Kate's ski-slope breasts are eye-catching. Chaka has great breasts.

Wow, what an issue, and and you keep getting better. My subscription is paid to October 2005, and it looks like I will be a year behind by that time.–A.A.

HALL OF FAME IDEAS

Dear *SCORE*,

Your Big-Boob Hall of Fame is the best idea you've had in a long time. It's about time some of the all-time greats are getting the respect they deserve.

My only comment is that you should let the readers nominate each year's candidates. When it's down to 10 nominees, let us vote on them. The top three make it into the Hall of Fame.

These girls are the greatest in their field. The Hall of Fame is a worthy honor.–C.R., Minneapolis, Minnesota

COLT 45: HER BEST PICS EVER?

Dear *SCORE*,

SCORE, you've done it again! Those pictures of Colt 45 in the March issue are absolutely fucking amazing. They might be the sexiest pics of Colt I've ever seen. Most everything I look for in a good *SCORE* layout was here: squeezing her boobs together, hefting her boobs up, sucking her nipples and finger insertion. This layout epitomizes Colt's undeniable beauty.

On page 87, Colt went on to say, "I love that men still want to look at me. If you had told me in 1994 that I would still be modeling in 2003, I wouldn't have believed it." Colt, baby, you don't have to worry about a thing. You are like the finest wine in the world. You

"My favorite sexual position has to be doggie style. I just love getting it from behind."

And speaking of doggie, the two photos at right show you exactly what you're going to be in for with Dawn. Now, that would be a dream cum true. For this issue, we took Dawn out of the *SCORE* Studio and rolled over to High-Tech Motors. This garage is located in a pretty gritty part of town, just north of downtown Miami, but Dawn's presence glammed it up considerably. That day was a memorable one for Ron and his crew of ace mechanics. Dawn walked into the joint. Not another drop of work got done. If this were a video, you'd hear no noise in the background, other than the sound of tongues dropping to the floor. No surprise there. How would you react if our photo team brought Dawn to model at your place of work? In addition to this pictorial, there's another photo set of Dawn at High-Tech on Scoreland.com. Just as impressive.

Woof! Dawn's starting to play dirty! Hey, whose idea was it to pour oil all over that beautiful body? We're sure her engine runs smooth just the way it is. By the way, those of you who haven't seen Dawn's best-selling XXX movie *Ultimate Dawn Stone* can see it for the price of membership at ScoreVideos.com.

Damn, Julia Miles' spread was awesome. If Julia getting fucked by a guy packing a bigger rod wasn't good enough, the spunk on her big boobs was icing on any *SCORE* man's cake.

As always, it's great to see more of the Mega-Boob Bikini Lineup. By the way, did you know there's probably 100 pounds of boobs in that lineup? Shit, that's a lot of tit-flesh.–R.P, Toronto, Ontario

DOES INESSE BELONG IN *SCORE?*

Dear *SCORE*,

Inesse (March '03) has beautiful breasts and a gorgeous face, but I have to wonder if she's really a *SCORE* Girl. Her E-cup naturals definitely belong in the magazine, but the number that makes me so questioning is her waist size: 31 inches. I'd bet it's one of the biggest, if not the biggest, you've ever

Take a good look at Latvian tit queen Inesse. Is she a *SCORE* Girl? We think so, but one reader disagreed.

SHOWING HOW IT'S DONE!

Cassandra's here. She has something to show you.

She's only 23, too young to ride her dildo off into the sunset, but Cassandra can teach some models a few things about posing. With that in mind, we flew her to Spain and asked her to work her magic. The result: *On Location Costa Del Sol.*

If you saw *Bosom Buddies #4,* you're aware of Cassandra's expertise in tit-to-tit. If you saw *SCORE Xtra #7,* you know she can work a dick. And if you saw *Stacked & Packed #3,* you know she's pretty good at solo pussy plugging, too. In the video and DVD *On Location Costa Del Sol,* Cassandra teaches Nicole how to show bush. She helps Kerry Marie dildo-ize herself. And she introduces Ines to the fine art of girl-girl sex.

Why Cassandra? Because she's one of the hottest naturally big-titted porn stars in the world. Because she has fabulous FF-cup tits and a beautiful face. And, because, as these photos prove, few models can equal her in solo asshole and pussy plugging. Right here, Cassandra's showing us how it's done, and some rookies can learn a thing or two. See how she stuffs her brown-eye and spreads her pussy at the same time? See how she sticks the toy in her pussy and massages her breasts? Ladies and gents, this is an expert at play.

Dear *SCORE*,

Congratulations for the erotic and mind-blowing Dream*SCORE* art of Pandora Peaks by Otis Sweat in the March issue. In a future issue, could you please have a Dream*SCORE* of Minka, the mega-boob dream woman, in a similar pose with both her mouth and pussy stuffed with giant cocks? However, Dream*SCORE *is reserved for big-busted models who have never done hardcore, and that excludes Minka, who fucks and sucks on page 13 of this month's Xtra. This is the only way you'll ever see Pandora Peaks doing this: in Otis Sweat's brilliant Dream*SCORE*.

BRAS!

Continued from page 52

most, although my bras are very well made. Usually, the cups are so tight that the weight is distributed pretty well. My bras are very form-fitting.

SCORE: Bras come in all different styles, of course, even for super-breasted women like yourselves. Which styles work best for you?

VIXEN LAMOORE: Roomy, roomy, roomy! I need plenty of cup size. I always buy the biggest cups in the store. Four hooks in the back will last longer than two. And if I can find a bra with padded shoulder straps, that's an instant orgasm for me! I collect low-cut cleavage bras. I call them eye magnets. When I get a new, sexy bra, I can't wait to go out in public and show it off. A good "shelf" bra that exposes the top two-thirds of my tits always gets me a good public reaction.

LISA LIPPS: I'll take any style that holds these bad boys in place and looks pretty. I can't exactly be picky when it comes to holding up these things!

KANDI COX: My favorites are three-quarter cups with a small or short front center. That way, I get lots of lift, and I show lots of cleavage, too. I could never understand why a woman with big breasts would want to cover all of her tits. I say show 'em!

HARMONY BLISS: Underwire bras with a low plunge make my boobs look the best and give me a lot of cleavage. As for comfort, I love wearing sports tops. They give me some support, but not too much so that it doesn't feel too tight and binding, and they look cute, too. I like to wear them out as tops in the summer. I get a lot of looks!

CINDY CUPPS: Full-figure, underwire types are good for me. My breasts are very heavy, and they need a lot of support. Plus, I'm really proud of my breasts. They're very firm for breasts that are so big, and I want them to look good for a long time.

AUDRA MITCHELL: I try to wear only underwire bras 'cause they're the only ones that support me. My breasts are big and natural, and they're always trying to resist the forces of gravity.

KAYLA KLEEVAGE: Form-fitting bras with an underwire work good. I like bras that cover three-quarters of my breasts. I haven't had luck with half-cups.

SCORE: Okay, so what styles of bras work worst for you?

VIXEN LAMOORE: Minimizer bras should be banned from the market! Bad, bad, bad! When I think of all the women who try to reduce, bind or hide their big, luscious hooters, well, it just makes me so angry. Big-titted woman of the world, set your magnificent jugs free! I wish we lived in a world in which all huge-titted girls felt comfortable with showing off their magnificent love pillows. Big-titted girls should be proud.

LISA LIPPS: I don't wear styles that don't hold these bad boys in place and don't look pretty. In other words, I don't wear bras with no underwire because that just becomes a mess, and I don't wear bras that look like they came out of some factory. You know, the industrial-strength kind. Just because I have huge breasts doesn't mean I can't dress them up to look pretty.

KANDI COX: For some reason, I don't think I look good in demi-cups and pushups.

HARMONY BLISS: The bras have to be of good quality and feel comfortable. Lace is pretty, but sometimes too much detail can show through under tight tops, especially white tops, and I don't like the way that looks. I like a nice, smooth look.

CINDY CUPPS: Push-up and padded bras don't work for me. I need support, not lift, and padded bras are, obviously, totally unnecessary. Usually I end up taking the padding out, if there is any.

AUDRA MITCHELL: I don't like bras that cover too much of my breasts and make them look pointy. I usually wear low-cut blouses anyway, so a bra that covers too much is going to show.

KAYLA KLEEVAGE: Bras that don't have an underwire are just going to fall apart. They're a complete disaster. The average piece of bra material was just not meant to support II-cup titties.

SCORE: How much do you usually pay for a bra?

VIXEN LAMOORE: I'm not a rich girl, by any means, so I shop for economy. I typically spend between seven and 18 dollars for bras, then Tiffany customizes them for me for five dollars each. The big, beautiful bras that cost more I have to pass on for now.

LISA LIPPS: Prices vary pretty widely. I'd say somewhere between 20 and 60 dollars a piece.

KANDI COX: About 20 or 30 dollars.

HARMONY BLISS: Sometimes I can get a bra on sale for around 25 dollars, but

I've paid up to 50 dollars for a very pretty bra. A good , well-fitting sports bra usually starts around 40 dollars. In the past, however, I have received beautiful bra and panty sets as gifts which I'm sure cost over 100 dollars.

CINDY CUPPS: Good bras cost a lot! I've paid as little as 50 dollars and as much as 200 dollars. It was a beautiful bra, and I still have it and wear it.

AUDRA MITCHELL: I usually pay anywhere between 14 and 48 dollars.

KAYLA KLEEVAGE: That's a secret!

SCORE: Have you ever found a front-hooking bra that fits? Here at *SCORE*, we call them front loaders, and they're very rare for girls your size.

VIXEN LAMOORE: I don't have a front-hooking bra. I do have a dance costume with a Velcro rip-away front. Sometimes the weight of my boobs makes that top explode open when I'm not expecting it. Guys like that, the dirty, horny dogs.

LISA LIPPS: I've never been able to find one of those in my size. I wish I could. I think it would be kind of interesting to see how long it would take before the front clasps just exploded!

KANDI COX: I've never found one of those, not in my size, and I don't think I ever will. Even if I did, I don't know if I'd have the guts to wear it. Wouldn't my breasts break the clasps?

HARMONY BLISS: I don't think I have any bras that hook in the front. The hooks that they use would break off in no time, which is why they don't make them in the larger cup sizes. Too much pressure and weight from the large breasts pushing on the clasps would break after several wears, I'm sure. Bras for my stage costumes are different, though, because I need easy front access to open them and whip out my boobies.

CINDY CUPPS: I haven't yet found a front-hook bra that fits, but if anyone happens to find one in my size, please let me know. I would love to have a front-hook bra. It's easier to take off.

AUDRA MITCHELL: I'm still trying to find one of those front loaders. Anyone know where I should look?

KAYLA KLEEVAGE: A front loader! With these titties? Okay, next question!

SCORE: Okay, girls, one last question. Do you wear a bra every day?

VIXEN LAMOORE: Absolutely! I've been told that my FFF-cup tits weigh about 12 to 14 pounds. I wear a bra as much as I can in order to keep them perky. A good bra can really show them off well,

but I do go braless on special occasions, like when I want to cause a commotion. I like the attention.

LISA LIPPS: I wear a bra every day and just about all the time, unless I'm sleeping, taking a shower or having sex.

KANDI COX: Yes, and I don't mind it at all. Wearing a bra is one of the most enjoyable parts of having big breasts.

HARMONY BLISS: I don't wear a bra every day, but I do always wear a sports top around the house and when I'm sleeping. Because my breasts hang pretty loose and are fairly heavy, I need a little support even when I'm sleeping. The sports top keeps my breasts from spreading apart when I lie down, which can feel a little uncomfortable sometimes. When I workout, I wear a really good support sports bra. If I have errands to do and I'll be moving around a lot and walking, I do need to wear a good bra or sports bra. I think it's good to always have some support and not go braless if I don't have to. That will keep them looking good and perky for a long time.

CINDY CUPPS: I don't wear a bra all the time. I like to let the puppies out every now and then.

AUDRA MITCHELL: Yes, I have to. To tell you the truth, I don't like the way my breasts look when I'm not wearing a bra, and, like I said, I want to keep them firm for as long as possible. I don't want to get old and have them hanging

KAYLA KLEEVAGE: Not always. At times, if I'm in a hurry and I don't feel like struggling with a bra, I'll just throw on a T-shirt and take my chances. Of course, if it rains, then my nipples are popping through my shirt, and I'm putting on a show all over the place. That always gets a big reaction. You know, I'm a girl who doesn't really like to wear bras, but I have no choice most of the time. If I don't, I get too much attention, which can get a little annoying sometimes. I mean, it's great having big titties. I wouldn't want it any other way. But bras were invented for a reason. One of those reasons is to keep the titties nice and firm. The other reason is so girls like me can move around in public and not always get noticed. Of course, sometimes the right bra helps me get noticed. That works for me, too.

SCORE: Well, girls, thanks for being with us today. It has certainly been an education, and I'm sure all of us now have a better appreciation of what you girls go through to look good.

SCORE DEBUT

Candy Is Dandy

Watch out for those quiet types. Like Candy.

Cut-off shorts that show most of the ass. Halter tops that threaten to pop a boob out at any moment. High-heeled fuck-me shoes. The way we like 'em. Newcomer Candy Hall looks good that way, doesn't she?

Foo-foo evening gowns, necklaces that weigh 50 pounds and earrings as big as chandeliers are outdated, as passe as Don Johnson's carefully shaved *Miami Vice* stubble. Candy's a 22-year-old modern girl, and she dresses to show her stuff. She was found by the same *SCORE* photographer who discovered Alexia, our Dancer-Next-Door in the April '02 issue. Like Alexia, Candy laps up laps.

CANDY HALL CHECK LIST

AGE: 22 **BIRTHDAY:** Nov. 22, 1980
HEIGHT: 5'4" **WEIGHT:** 112 lbs.
MEASUREMENTS: 38-24-38
BRA SIZE: 34DD
OCCUPATION: Exotic dancer
LIVES: South Florida
AMBITION: "I want to become a professional make-up stylist like your make-up artist at the *SCORE* studio!"

"This is the first time I've ever posed. I'm not sure if I'm doing it right. Am I?"

Trust us, Candy. You're doing very good so far. You just keep practicing on your spread shots, learning how to use your fingers to spread your sweet cookie lips in just the right way for our dedicated cameramen, and you'll be fine. Candy's a Florida chick who's dancing at a few of the 50,000 dance joints that saturate the Miami area. Do that many guys get lapdances every fuckin' night to support them all? In this shitty economy? Unbelievable. But, like a lot of girls, Candy doesn't want to be a dancer for too long. She doesn't want to sit on the damp, clammy, wood-sprouting laps of strange, sleazy men, some of whom work for *SCORE* Magazine. No, Candy wants to become a professional make-up artist, like our own wiz. But, before that happens, we have to convince Candy to do some fun, dirty things on video. We're certain she's got the right stuff.

AUTUMN FUCKS FOR FOOD

MEGA-TITTED MINKA GETS MEGA-DICK

AUTUMN-JADE'S BOOB-PLATE SPECIAL

Looking for fresh, hot, mouthwatering pie? This diner has what you want.

It was a slow day at Autumn's Cafe. The customers were just not coming in, and Autumn-Jade didn't know what to do. She thought about closing up early and going home. She could shower and plug her pussy all night. She hadn't cum in a long time, and she needed a few orgasms. Some personal tit play. A dildo or two.

"Spread me good and stick your pole deep inside my pussy. Please, I need it!"

The drifter didn't expect a boob-plate special when he walked into Autumn's Cafe. "Ma'am, I've never seen a waitress wearing platform high heels before. This is my kinda joint," the drifter mumbled to Autumn-Jade, eyeing her up and down like she was on the menu herself. "What kinda pie you got here, ma'am? You got juicy pie?" Said Autumn, "Just what do you mean stranger? I've got the best pie in this whole county! Don't you read *SCORE*?" "Well, in that case, do you mind if I take my boner out of my pants, ma'am? It hurts being all bent like this." Autumn didn't miss a beat. She'd met characters like this guy before, and she could handle them no sweat. "Well, will you jack your stiff hog if I show you my boobs?" Autumn asked? He nodded. She quickly locked the door and got buck naked. "Do you know what makes my tits grow?" she asked.

"Would you like me to suck on your cock and then squeeze the cum out of your balls?"

"Your hot cream makes them grow," Autumn said, grabbing the drifter by the nuts. "My boobs need your cum. Are you going to give my big tits your hot guy-goo?" The drifter was startled. "Y-y-es, ma'am. Whatever you say!" he stammered. "You want to fuck me all day, don't you?" Autumn asked. "Spank my beautiful ass and fuck me hard. Spread me good and stick your pole inside my pussy. Do it now. I need it. Don't deny me your shaft. I need your cock. Fuck my tight pussy, you dirty bastard. Stuff me with sausage. I want to see your jack spray my boobs. Shoot your cock on my tits. I need to gulp down every drop of your juice. Squirt your load all over me now! I want to drool your cum onto my tits!" The drifter did as he was told. Autumn had the orgasm she needed. The drifter went off on his own. Life no longer seemed so hard.

VIDEO REVIEW: *BLACK & STACKED #2*

The brown tits are huge and natural. The pink pussies are wet for plugging.

Chaka T. leads off *Black & Stacked #2* with a tit and pussy-plugging show. The blue dildo is one of many she uses.

By DAVE ROSEN

The tits are among the biggest naturals you'll ever see, averaging an impressive F-cup among the five girls assembled. The boob play is astoundingly vigorous, and the "you-are-there" closeups of the flesh puppies will leave you breathless. As for the dildo-plugging…well, let's just say, none of these girls are shy.

The new video/DVD is called *Black & Stacked* #2. The stars are Chaka T., Cassitty, Amanda White, Anja and Coco, all *Voluptuous* magazine babes who are worth a look by any self-respecting lover of huge, God-given breasts. You can order it from the ad on page 20 of the main mag. And you can read all about it right here.

CHAKA T. & HER FRIENDS

Chaka T., one of the stars of the sold-out September 2002 issue of *SCORE*, has a 44-30-36 body with H-cup breasts that can't be contained. When the scene opens, Chaka is standing in her bedroom wearing a maroon negligee.

"Hi, I'm Chaka T.," she says. "You wanna come play? I do! I want to show you how I like it done my way. Come closer. I have something to show you."

Hey, we're there, Chaka! She sits on the bed and very slowly starts taking off her top. One mammoth breast comes out. She kneads it and takes a lick of nipple.

"You like that?" she asks. "Here's another one." Chaka T. removes her other breast from her boulder holder, lifts it up to her mouth and sucks on the nipple. She vigorously kneads her breasts, then lifts one tit and licks her nipple again. Obviously, Chaka loves sucking on and licking her nips.

"And sometimes I like them pinched," she says before doing it herself to both nipples.

"And, of course, sucked," she says before sucking on both of them, one at a time.

Guys, the tit-play in this scene is truly spectacular. Chaka T. knows the focal point of her body is her chest, and she shows it from all angles. We get views from below-looking-up of Chaka's breast meat. She slaps her tits together as if she's giving herself a standing ovation. There's more nipple sucking, then a bottom view of Chaka slapping the puppies together. She caresses them, just like you'd do if you were with her.

Chaka pulls out a bottle of baby oil and pours it all over her tits. She drowns her chest in oil, and it's pouring down her body, and she's rubbing it in, and, all the while, we're getting these great closeup views. Then, just when you think her tits can't hold any more oil, she takes out the bottle again and supersaturates herself.

Well, after that, Chaka can't wait any longer (and neither can we). Her pussy needs satisfaction, so she lifts up a pillow, revealing her five friends hiding underneath. They're all named Doc Johnson. There's a gigantic dildo that's the size of her arm, a red one, a blue one, a white one and a butt-plug. Chaka lies back on the bed and plays with her tits some more. She takes off

her panties and rubs her pussy. Now she's totally naked, and she tit-fucks herself with the butt plug.

"Now let's get some juice," Chaka says as she oils up her white dildo and inserts it into her pretty pussy. She jams that thing nice and deep and is even kind enough to pull it aside just a bit so we can see her inner pinkness. Of course, there's more tit-fucking and more tit slapping. The blue dildo gets its turn. So does the arm-sized one, although that toy only gets to touch her tits. When Chaka's finally ready to cum, she takes out the blue dildo again and rides it to a creamy climax. You can see the girl cum oozing from her hole.

And, meanwhile, there'll be guy cum shooting from your dick.

ANJA: LEFT HANGING

German cutie Anja, one of the great natural finds of 2002, wasted no time doing XXX in *Voluptuous Xtra #5.* This is her second solo video appearance (her first was in *Stacked & Packed #3)*, and it's an impressive encore.

The scene opens with 20-year-old Anja sitting alone on a couch. She's pouting. Could some asshole have stood her up? No way! No one's that stupid. But there's Anja, wearing an animal-print mini skirt, her wide, black bra straps clearly visible, and she looks ready for some loving. Fortunately for us, she helps herself.

Anja takes her time. She takes her top and bra straps down slowly. She removes one F-cup breast, then the next. This girl has spectacular breasts. Firm. Full. Flawless. She sucks on one nipple, then kneads both tits. She pushes them together and vigorously sucks on her other nipple.

Then Anja gives us views of her breasts from all angles. She squeezes them. She shakes them. She gets on all fours, lets them sway languorously and lifts a breast up to her mouth.

One of the highlights of this video is when Anja does something only the biggest-busted models can do. She turns her back to the camera and tucks her breasts under each arm, so you can see the sides of her tits, even though she's facing the other way.

Anja lies back on the couch and takes out her dildo. The dildo slides into her shaved pussy nicely, and Anja does herself slowly. Like Chaka, she's kind enough to pull the dildo aside so you can see her inner pinkness and wetness.

Can you believe some asshole stood up Anja (top and middle photos)? So she had to take care of herself.

Newcomer Coco (above left and right) has natural floppers, huge areolae and a hairy pussy she likes to spread.

Of course, she's still playing with her tits. Anja hardly ever stops playing with her tits. She loves them almost as much as you do.

And now it's time for another of the outstanding scenes in this video. Anja stands up, places one leg on a chair and bends over. We have a clear view of both her tits hanging down and her pussy; it's the "Why don't you crawl underneath?" pose. Then she reinserts the fuck-toy into her hole. The sight of Anja slowly jamming her pussy with the dildo while her tits swing and sway will have you shooting you load in no time flat, guaranteed.

This position obviously works for Anja, too, because she ends up satisfied. As for the guy who left her hanging? He doesn't know what he missed.

COCO: HELPING HANDS

No lies: Chances are you'll never see Coco in *SCORE*. She's more V-Mag material. But lovers of natural breasts will enjoy gazing upon her DD-cup hangers with monstrous areolae, and lovers of hirsute women will love checking out her hairy pussy.

And about those areolae: They're

MINKA: SPREAD AND FUCKED

Look out! The world's #1 Asian supertitter rides the baloney pony again.

Hey, *SCORE* Guys! This XXX layout of Minka is so fresh, the sheets that Minka fucked on are still wet. What you're seeing here is an advance peek at the action from the upcoming *SCORE Xtra #9*. This video is still being lensed and is several months from completion and release, but we realized that over a year had passed since we'd published Minka getting the trouserhose slid up her vise-grip pussy. In the March '02 *SCORE*, Minka and her pal Kayla Kleevage drained the dick of masked wrestler Blue Balls in scenes from *SCORE Xtra #5*. So why keep this new gem sitting around when it can be enjoyed and enjacked now? One of the bustiest babes on Earth, a gal who has no equal, the amazing Minka is spread and speared across nine pages of mega-tit fucking and sucking.

JULY 2003 CENTERFOLD

Study the expert deep-throating here. This is beyond mere cock-sucking. This is pure cock inhalation. Minka has sucked off many guys of all sizes, and her blowjob techniques are world class. Minka's also a jizz-wiz in the subcategory of hands-free blowjobbing. Watch her engulf this putz like a hot dog. Guys, show this cock-eating sequence to your wife or main squeeze. She's sure to be impressed. Heck, why stop there? Show this to the women in your office. They'll be impressed, too.

You've obviously recovered from that mindboggling centerfold of Minka being tit-fucked or you wouldn't have made it to these final shots of her being taken from behind and fucked. Sadly, it's time to say adios with a final suck-off photo and tit-jizzing. If you're like the editors at *SCORE*, you'll be returning to that point-of-view centerfold in a few days to re-drain the old hog. Or just record it in your memory. Whether she's fucking or solo, Minka is memorable.

This is Cassitty. She has EE-cup breasts and an hourglass figure. She has a big dildo in her snatch.

about four inches in diameter and extremely sensitive. Coco's areolae alone are bigger than some women's entire breasts.

Anyway, the highlights from this scene include:

• Coco slapping her tits together and saying, "This is how I'm going to slap your cock."

• A through-the-legs-and-under-the-hairy-pussy view of Coco's swaying hangers while she's on all fours.

• Coco lying back and spreading her pinkness as wide as she can.

• The helping hand that joins the fun and tit-fucks Coco with a dildo.

• The helping hand that's fucking her pussy with a dildo while she keeps kneading her tits with both hands.

This is good stuff, *SCORE* Men.

that garment, along with her bra, comes off in a hurry. She touches herself all over, then takes a good, long time working over her breasts. She kneads them. She squeezes them. She pushes them together and gives them a soothing massage.

Amanda needs some satisfaction in a hurry. Her choice: a plastic, purple cock. She tit-fucks herself and lets the dildo lie between her breasts. Don't you wish you could be so lucky? Then she puts the dildo aside. She plays with one of her breasts while rubbing her pussy with her other hand. She pulls her pussy lips apart. Nice view, Amanda.

Amanda really knows how to show off her body, so we see her dildoizing herself while on all fours, fingering her pussy, showing her breasts from all angles and even engaging in some breast-ercise. She touches her toes, which, of course, allows her tits to hang down. She lies down on the bed and does some leg-spreading exercises. Does this kind of activity keep Amanda in shape? It must. And it keeps us pulling on our peckers.

So, as Amanda fingers herself to orgasm, we're jacking ourselves to orgasm, and everybody's happy.

CASSITTY: TALKING DIRTY

Cassitty's another 2003 newcomer who's of particular interest to *SCORE* Men. She measures 46-24-36, has the classic hourglass figure and totes around EE-cup flesh mountains. But, perhaps best of all for our jacking purposes, she loves to talk dirty.

Cassitty doesn't do this in *Black & Stacked #2*. She does something even more unusual. You'll have to see it.

Es look in this bra? Do you like my tight ass and my little panties? Would you like me to pop out my titties for you?" Of course, she does.

• "My pussy is ready to be fucked and sucked," she says as she leans over the bed and spreads her ass, giving us a great view of her pink pussy and one of the prettiest assholes you'll ever see.

• "Are you stroking your cock for me?" she asks as she removes her bra and craddles her massive mammaries.

• "I have nice, big tits for you to suck on," she says as she cradles her rack and then lets them loose to sway.

This girl does all the right stuff. She saturates her breasts with skin cream and rubs it in. She tugs on her nipples. She invites a helping hand to rub more skin cream onto her chest, and we get enticing closeups.

But the best thing Cassitty does? Picture this: She's lying back on the bed. With one hand, she's fucking her tight pussy hole with a dildo. In and out, in and out. With her other hand, she's tugging on her left nipple. And with her mouth, she's sucking on her right breast. That puppy is stuffed halfway inside her mouth!

It's a beautiful sight. An unusual sight. One you'll rarely see. You know, the lesson of *Black & Stacked #2* is that if you take a big-breasted woman, leave her to her own devices and set up a video camera, great things are going to happen. There's no hairy man-ass in this video. Not a single flesh-and-blood cock to be found. Just women. Big-titted women. Reason enough to get *Black & Stacked #2* on video or DVD. And it's just $34.95. A bargain.

HERE'S LOOKING AT YOU!

There's nothing like the eyes-open blowjob.

You're lying in bed. The girl of your dreams is doing a number on your nob while her F-cup breasts brush against your thighs. You're in heaven, no doubt about that, but things are about to get better. Suddenly, without warning and with her mouth still attached to your dick, she opens her eyes. Now you can't control yourself. You shoot your load deep into her throat. Bro, you've just fallen victim to the eyes-wide-open blowjob, one of the wonders of the world.

What makes the eyes-wide-open so special? Why do we pop our corks whenever babes like Cassandra and Sierra (previous spread) and Fleur Rose and Vixen LaMoore (this spread) open their eyes and stare into the camera while they're downing bone? Well, there are a few possible answers to that question. For one, when a babe looks into the camera while giving a blowjob, she seems to be saying, "I wish it was *your* cock I was sucking." She's putting us in the picture. But, perhaps more importantly, the eyes-wide-open blowjob indicates total shamelessness on the model's part. She doesn't need to close her eyes and imagine she's somewhere else. She's proud of the fact that she's demonstrating her skills on an international stage...and you're watching.

By the way, that photo of Vixen on the previous spread was a sneak preview of her upcoming XXX boy-girl layout in Xtra. And now, we close this edition of Xtra with two of your editor's favorites: sloppy-sucking Lola Lane (left) and 2002 Newcomer of the Year runner-up Annie Swanson. Notice the eye contact. The sucking form. The suction in the cheeks. Perfection!
